O R D E R:

The Chief Engineer (R&B), SH & MD, APRDC in the reference read above has stated that Kodumur - Yemmiganur is an important State Highway in Kurnool District which is starts at Km 35/4 of another important State Highway Kurnool - Bellary road and joins at Yemmiganur Bypass road which in turn connects the National Highway 167, i.e., Hagari - Jadcherla road. Kodumur - Yemmiganur road is the main road that connects 5 assembly constituencies in western part of Kurnool District. The traffic volume is high on this road and this road runs parallel to the Hundri river and in Km 2/2 there is steep dip across local Vakkera vagu and also it is major stream to Hundri river. The existing structure is a causeway. Even for small rains the dip overflows and obstructs the vehicular traffic nearly for 2 to 3 hours. In view of the importance of this road and public interest, there is a dire necessity to construct High Level Bridge across Vakkera vagu for free flow of vehicular traffic. Therefore, the CE (R&B), SH &MD, APRDC has requested to accord Administrative Sanction for the work "Construction of HLB @ Km 2/0-2 of Kodumur Yemmiganur road in KurnoolDistrict" for Rs.2.30 Crore under Corenet Road Safety Works.

2. Government after examination hereby accord Administrative Sanction for an amount of Rs.230.00 lakhs for the work "Construction of HLB @ Km 2/0-2 of Kodumur – Yemmiganur road in Kurnool District under Corenet, Road Safety Works.
